

The system will have a login feature using a username and password.

- The admin can login accounts (username + password).
- Users can change their password.
- A “Forgot Password” option will be available to reset passwords.

- Add new student records.
- Add, update, and view fee records.
- Update or edit student information.
- Delete student records.
- Validate input such as roll number, room number, and fee amount.
- Show the fee status of each student (Paid / Unpaid).

The screenshot shows the 'Hostel Manager' application interface. On the left is a sidebar with navigation links: Dashboard, Students (selected), Rooms, Attendance, Payments, Complaints, Staff, Inventory, Notifications, and Reports. At the bottom of the sidebar is a login section for 'Admin User' with the email 'admin@hostel.com'. The main content area is titled 'Student Management' and 'Manage all hostel students'. It features a search bar, filters, export options, and a 'Add Student' button. A table lists five student records with columns for Student ID, Name, Contact, Room, Course, Status, Fee Status, and Actions. The table includes icons for edit, view, and delete. At the bottom, it shows 'Showing 1 to 5 of 5 students' and pagination buttons for Previous, 1, 2, and Next.

	Student	Contact	Room	Course	Status	Fee Status	Actions
